WEBSITE	http://posteriran.com/	DATE AND BIRTH	21/03/1993
SHORT BIOGRAPHY	<p>He was born on March 21, 1993, in Chaharmahal and Bakhtiari province and grew up in Tehran, the capital of Iran. Studied at the Islamic Azad University Tehran east branch in 2011 and succeeded in graduating with an associate degree in the graphic. He is the founder of “posteriran.com” and “outis.ir”. He has cooperated with well-known brands and companies like Sahadanesh company, “Cakeoff.ir” website, Noroweb company, Graph.ir website. At the same time, he was designing social posters and participating in various festivals. He resumed his academic education in Isfahan Sepehr University in the field of visual communication in 2019-2020. Her goal is to make the world more familiar with the world of Iranian graphic design. However, in Iran, art has a long and beautiful history. But the importance of graphics is very poor due to financial conditions. Ramin Rafeei tries to show the Iranian poster with global and Iranian subscriptions on the website so that he can cooperate with each other and improve the quality level.</p>
